

STEWARDS REPORT

26th January 2011

Present: L A Lane, R Merritt, R Merritt, B Merritt

Stewards today interviewed licensed trainer Mr A Trengrove regarding the findings of a stable inspection carried out at his stable's on 22nd January 2011.

Mr Trengrove was advised that in the future he should record in his treatment book when horses in his care are attended by a Veterinary Surgeon irrespective of whether medication is administered and irrespective of whether it is at his stables or not.
