Apprentice A Lindsay was also unable to ride at her MRW at the Alice Springs meeting on 13 February 2021, amendments to the programme were actioned by the Stewards in accordance with the Stewards Report for that meeting. At a subsequent Stewards hearing in Darwin, apprentice A Lindsay was suspended for 2 NT race meetings for a breach of NT77(c). Prior to resuming race riding she must satisfy the Stewards that she can comfortably reach an agreed minimum riding weight.

Race 1: 0-58 1300m

KALMAR (J Todd) – Got its head in the air at the start. Lay outwards rounding the home turn and continued to shift considerable ground outwards when tested in the straight. Trainer G Clarke was interviewed in relation to his future intentions as the gelding had lay outwards in previous race starts. After consultation with connections, he subsequently advised that the gelding will now leave his stable and relocate to Queensland as he is of the opinion that the gelding may be more suited to racing in an anti-clockwise direction. In this circumstance, a warning was placed on the gelding's racing manner.

KOWLOON KID (A Nicholls) – Slow into stride. Following the unplaced performance a veterinary examination revealed the gelding to be lame in the near fore. Trainer G Clarke was advised that he must present a veterinary clearance for the gelding prior to racing again.

A post race veterinary examination revealed no significant abnormalities. Trainer C Pollard subsequently advised upon return to the stable he had blood samples taken and analysis revealed no anomalies. Trainer was advised that the gelding must barrier trial to the satisfaction of the Stewards prior to racing again.
