## TRAINERS

### DOES YOUR WORKPLACE HAVE THE NECESSARY INJURY INSURANCE PROTECTION?

Following news that several local trainers sustained serious injury recently whilst carrying on their training activities, it is perhaps timely to remind trainers of their legal obligations, and the various other insurance options that are available, to protect their workers, family members who work in their business and of course, the Trainers themselves.

#### Worker's Compensation - your Legal Responsibility

It is a prescribed responsibility i.e.: embodied in legislation, in the Northern Territory that every business that employs or hires Workers on a full-time, part-time or casual basis, under an oral or written contract of service or apprenticeship, must effect worker's compensation insurance with a local, licensed insurer.

#### Definition of a Worker

For the purposes of this insurance, a Worker is:

- a natural person who performs work or a service of any kind for another person under a contract, receives remuneration and is, in relation to the contract, an employee for the purpose of assessment for PAYG withholding under the 'Taxation Administration Act 1953 (Cth)', Schedule 1, Parts 2-5, even if the employer is not withholding tax when they should be. Workers who typically fall into this category for a Trainer include stable hands, foremen & track riders.
- this definition does not extend to individuals who provide a service using their own tools of trade, and rectify any defects at their own expense. Veterinarians and farriers are common examples of independent contractors who fall into this category

An on-line tool is available on the ATO website to assist Trainers to determine if their Worker/s fit within the definition. If the business engages and pays Workers, it is recommended you visit [www.ato.gov.au/Calculators-and-tools/Employee-or-contractor/](http://www.ato.gov.au/Calculators-and-tools/Employee-or-contractor/)

#### Certain Workers Covered Under Specific Circumstances

- Trainers can qualify for inclusion under a worker's compensation policy in limited circumstances only. If the **Trainer is a director of a registered training business**, he or she can be covered if the company has taken out a worker's compensation policy, and both personal details and the remuneration of the Trainer have been disclosed to the insurer.
- If the training business is owned by an individual, or is a partnership (therefore, is not a registered company), family members who live with the owner/s of the training business and who are paid to assist with training activities, can also be covered if both their personal details & remuneration have been disclosed to the insurer.

#### Racing & Betting Act 1983 (as amended)

This Act requires TRNT to effect worker's compensation insurance for **licensed jockeys, track work riders, stable hands and foremen**, whilst any of these individuals are:

- actively engaged in thoroughbred racing and training activities; and
- are doing so on any licensed premises and/or within the associated environs e.g.: environs includes float and car parks attaching to the premises, roadways connecting to stables, the dry riverbed of the Todd River which sits adjacent the Pioneer Park training centre, etc.

In effect, the Act compels TRNT to treat these individuals as their very own "deemed" workers whilst they are working on a licensed premises. Of note, is the Act **does not** extend this "deeming" provision to include licensed Trainers – hence, TRNT cannot expand their policy to cover Trainers, as the legislation does not allow them to do so at this time.

#### Given the above, Trainers should consider the following:

**Firstly**, all Trainers have a legal obligation to effect worker's compensation insurance to cover Workers they engage and pay a wage, for activities related to their training business. There will be instances where the TRNT insurance will be the 'host policy' for a Trainer's injured worker. Equally, there will be instances where a **workplace injury will not occur at a licensed premises or within the associated environs**, and therefore, the TRNT insurance will not apply. For example, injury whilst unloading a horse at an agistment property, during a rehoming exercise, or whilst at a veterinary clinic. Similarly, whilst riding the horse for training purposes in bushland or trails, or during beach work anywhere in Darwin. To cover this worker related risk, all Trainers **MUST** effect their own worker's compensation insurance. If Trainers do not already have a policy, please contact NT Worksafe on 1800 250 713 for assistance.

**Secondly**, if Trainers cannot access personal protection under a worker's compensation policy (refer to **Certain Workers Covered Under Specific Circumstances**), they should examine alternative insurance options. As shown recently, accidents do occur, and the costs of medical care and any associated downtime can be a considerable burden for a Trainer to absorb. Accordingly, Trainers are encouraged to explore Personal Accident & Illness, Trauma and Life insurance, all insurances commonly held by many self-employed individuals across the racing industry, and indeed, in many other vocations outside of racing.

**For more information on this subject, please contact the Australian Trainer's Association (03 9372 1688), or visit [www.austrainers.com.au](http://www.austrainers.com.au) to read about the various insurance options under the members information area.**

# Trainer & Owner Reforms (TOR)

The introduction of the Trainer & Owner Reforms (TOR) has been one of the most significant inclusions to the Australian Rules of Racing in the last decade.

These reforms standardised many aspects of the commercial relationship between Trainer and Owner (as well as between multiple owners of a horse), and provided a pathway to resolve disputes including, most importantly for Trainers, those relating to the non-payment of training fees.

An overview of some of the key elements of the TOR follows:

## The Rules of Racing

- The TOR has national application. It was written into the Rules of Racing in 2017, and embraced by each state and territory racing jurisdiction across Australia.

There are 9 specific TOR Rules as follows;

TOR Rule 1 Commencement and operation of the TOR

TOR Rule 2 Powers of PRAs in relation to the TOR

TOR Rule 3 Requirement for trainers to issue a Fees Notice

TOR Rule 4 Circumstances in which the presumption of a training debt arises

TOR Rule 5 Requirements in relation to, and the effect of, a Dispute Notice

TOR Rule 6 Consequences if the presumption of a training debt arises

TOR Rule 7 Further trainer rights (when the presumption of a training debt has not arisen)

TOR Rule 8 Training Disputes Tribunal

TOR Rule 9 Facilitating payment after a TDT decision

## Key Documents

### • Standard Training Agreement (STA)

The STA governs the relationship between Trainer and Owner, with both bound by same unless they have a separate written arrangement. Under the rules the STA is applicable to all trainers and owners, with limited exceptions only\*.

\* only Owner/Trainers who train a horse themselves, or an Owner who employs a Trainer exclusively for them under a written agreement, are exempt.

### • Fees Notice

A Trainer MUST produce and provide a Fees Notice to the Managing Owner (on behalf of all Owners), within 7 days of appointment. This should set out charges for recurrent services e.g.: daily training fee, race plates, standard veterinary consultation, float charges; etc. It is a guide for Owners, designed to inform them of the range of costs they will incur for many of the common activities and services their thoroughbred will receive under the Trainer's care.

### • Co-Owners Agreement

A Co-Owners Agreement, or COA, was introduced as part of the reforms. This agreement sets out obligations and responsibilities of Owners to each other. It also sets out the overarching obligations of the Managing Owner, firstly between his or her co-owner group, and secondly, with the Trainer, with regard to communications and representing the interests of the Ownership group.

## Disputes Resolution Process

- A standardised process was introduced for dealing with Trainer and Owner disputes for non payment of training and inter-related fees:
- A Trainer can lodge an Enforcement Action Application to assist with debt collection
- An Owner can lodge a Dispute Notice if they dispute part or all of the Trainer's invoice

Disputes documentation must be lodged with Racing Australia, who in turn, will communicate with the parties to the dispute and make them aware that the matter is now on the record. Racing Australia will also refer the matter to the relevant racing authority (for example, in the Northern Territory, this is TRNT), who will take over conduct of the matter.

The process offers mediation for the simple matters, or for those matters that cannot be settled by mediation ie; formal disputes, these will be referred to a Training Disputes Tribunal for determination.

The TOR has been a wonderful addition to the Rules of Racing. It has introduced much needed process and standardisation into an area that had historically been littered with uncertainty, a lack of transparency and indeed for many, resulted in financial distress.

The Australian Trainers' Association is constantly working to improve the TOR for the benefit of its Trainers. As has been the case for many of our rules of racing over the years, they evolve over time, generally from our collective experiences with "live disputes". To that end, we are currently working with Racing Australia, and they in turn with the national PRA network, to tighten several elements of the TOR debt recovery process, to better position trainers in the pursuit of their financial entitlements.

For more information on this subject, please visit the Racing Australia website [www.racingaustralia.horse](http://www.racingaustralia.horse), and click on the 'Trainer and Owners Reforms' handle in the RA banner, located at the top of their Home page.

Members of the ATA can also visit our web-site [www.austrainers.com.au](http://www.austrainers.com.au), and access the dedicated 'Trainer & Owner Reforms' section by clicking on the handle that sits within the Home page banner, to read relevant reference information, plus download our ATA Advanced Training agreement and a template Fees Notice.

# CONDITIONS GOVERNING NT RACE MEETINGS

**NT109.** Notwithstanding the provision of AR181 no horse shall be withdrawn from any race after the time prescribed for acceptances without the permission of the Stewards. No withdrawal shall be permitted after 8.00 am on the day of a race for any meeting except at the direction of the Stewards.

(1) Withdrawals after the time for acceptances will incur liability for the riding fee as set out in NT75. Also they may be liable for the following fees, unless a veterinary certificate satisfactory to the Stewards is produced;

(a) TAB meeting \$100 Or the acceptance fee, whichever is the greater

(2) Provided that at all meetings covered by TAB the following shall apply;

(b) Trainers must notify the Stewards as soon as practicable after any injury/lameness or disability is detected which may require an acceptor to be scratched and a failure to do so may result in a \$500 scratching fee being imposed;

(c) If a trainer accepts for a horse which is subsequently scratched and in the opinion of the Stewards the trainer knew or should have known at acceptance time that the horse was unlikely to start, a \$500 scratching fee may be imposed.

# VETERINARY NOTICES

## ELECTIVE TESTING OF NON RACEDAY SAMPLES

Trainers are advised that they are now able to have non-raceday samples screened by the Australian Raceday Forensic Laboratory on request for certain long-acting therapeutic substances.

This service has been introduced to assist trainers to determine the suitability for racing of horses under their care that have been treated with these long acting medications.

The special non-raceday drug screens are confined to corticosteroids, anabolic steroids or procaine (arising from the administration of procaine penicillin). To use this service, trainers must first gain approval from the Stewards, who will then supply the appropriate collection kits, seals and documentation.

Samples must be collected in accordance with the Australian Racing Forensic Laboratory collection procedures and must be accompanied by a Testing of Special Non-Raceday Samples application.

Samples will not be tested unless they are packaged and sealed properly and accompanied by the appropriate documentation.

Trainers are warned that the results of any non-raceday testing do not absolve them of their responsibilities in the event of a positive result arising from samples taken at any registered race meeting. Further details in relation to lodging of samples can be obtained from Stewards at Darwin Turf Club or Alice Springs Turf Club.

## RACEDAY SWABBING PROCEDURES

Trainers are reminded that it is their responsibility to ensure that they and/or any person who represents them during the swabbing of their horses, are fully aware of the raceday swabbing procedure and that they observe all stages of that procedure.

The Club's veterinary surgeon and/or swabbing attendant will ensure that persons who are unfamiliar with the procedure have it explained to them and also inform them that as the trainer's representative, they should observe all stages of the swabbing procedure.

Trainers are reminded that the onus is on the trainer or his/her representative to observe the procedure.

(2) Without limiting subrule (1), except where otherwise permitted by Racing Australia, a PRA or the Stewards (as applicable), a person is not permitted to hold an ownership or lease interest in a horse if the person:

- (a) has been convicted of an indictable criminal offence or a criminal offence involving violence against a person or dishonest activity in the previous 10 years;
- (b) has been convicted of an offence under any animal welfare or prevention of cruelty to animals legislation in the previous 10 years; or
- (c) is an undischarged bankrupt or is taking advantage of the laws in force for the time being relating to bankruptcy

(3) Subject to subrule (4), a person must not enter or cause to be entered a horse in a race, official trial or jump-out where a person who is not permitted to hold an ownership or lease interest in the horse pursuant to subrule (1) or (2) purports to hold such an interest in the horse.

(5) For the sake of clarity and without limiting any other provisions of the Rules, an ownership or lease interest includes an interest held by a person (from 0% to 100% inclusive) as a:

- (a) director or shareholder of a company;
- (b) partner of a partnership or firm;
- (c) trustee of a trust;
- (d) manager or member of a syndicate

*[rule added 6.5.22]*

#### **AR 36B Ownership via certain trusts prohibited**

Without limiting any other provisions of the Rules and except where permitted by a PRA, an ownership or lease interest in a horse is not permitted to be held in a trust where the persons having an interest in the horse, beneficial or otherwise, are not readily and accurately identifiable (for example, where the trust is a discretionary trust with broad and potentially unlimited beneficiaries).

*[rule added 6.5.22]*

## REGISTER OF DISQUALIFICATION, WARNING OFF & FORFEIT LIST

So long as any person is on the Forfeit List, he/she is subject to the same disabilities and penalties as are declared by AR263 to apply to persons who are disqualified.

So long as any horse is on the Forfeit List, such horse shall not be entered in or run any race, or be trained upon any course where these Rules are in force.

## BENCHMARK RACES

### AVERAGE BENCHMARK

Average Benchmark Races (ABR) are races where the benchmark level is set after nominations are taken.

#### HOW ABR RACES WORK

- Entries are taken as per normal.
- The average rating of those horses entered is then calculated (see conditions).
- The average rating then becomes the benchmark for that race.
- The Benchmark (rating) for the race is then allocated 58kg's and all other horses are weighted up or down according to the template.

#### Conditions

- To ensure that the Benchmark is not skewed either by a particularly high or low rated horse the top and bottom rated 10% of horses entered, or in cases where there are less than ten entries the highest and lowest rated horses are discounted for the purpose of calculating the average. The remaining horses ratings are then averaged to create the benchmark for that race.
- Any horse which runs in the first three in an ABR and is rated below the 55.0kg minimum will automatically be rerated up to the 55.0kg of that race.
- If the stewards believe that any horse/s may have been nominated in an endeavor to affect the Benchmark in an ABR race they may instruct the handicapper to discount its rating in the calculation of the Benchmark for that race. Stewards will scrutinize the nominations and exclude any horses from the calculation of the average benchmark if they believe that such horse/s sits outside the norm for that race. All horses which are used for the average calculation will be identified on the weights.

### Amended Benchmark 54 races — November 1, 2020

54 rated horses to carry the equivalent of 59kg. Each rating point above 54 will incur a penalty of 0.5kg, i.e. a 60 rater (6pts above 54) will receive 62kg. Similarly, each horse's rating below 54 will reduce the weight carried by 0.5kg down to a minimum of 55kg.

Trainers will be permitted to enter horses rated above 54 but no horse with a rating above 60 will be eligible.

# RATINGS - BANDED RACES AND BUSINESS RULES

- All horses intending to run in a Ratings banded race in the Northern Territory must have a rating formalized by the official handicapping panel assigned to the Northern Territory (TRSA Handicapping Panel) prior to nomination closing time.
- Only ratings issued by the TRSA handicapping panel for the Northern Territory will be recognized.
- Horses domiciled in the Northern Territory competing in other states will need to be re-rated on return to the Northern Territory. It cannot be assumed the interstate ratings will be directly correlated to the Northern Territory template rating or other templates.
- Horses will be eligible to nominate for races which have a rating qualification, if at the time of nomination they qualify in the specified Rating Band. Horses eligible at nomination time shall be permitted to compete regardless of any subsequent rating by virtue of re-handicap in that race even if that rating exceeds or drops below the top or bottom rating band in that race.
- Horses shall receive a handicap in a race according to their rating at close of Nomination time in line with the NT RBH template. Provided that any horse racing between the time of close of nominations and declaration of weight time may be re-rated by the handicapper in accordance with performances in this period.
- Fillies and Mares allowed a 2.0kg sex allowance. 2 & 3yo's allowed an allowance the same as the **maiden scale**.
- Set weight maiden scale is as follows:

## August-November

4yo and up geldings and entires - 59.0kg;  
 4yo and up mares - 57.0kg;  
 3yo colts and geldings - 56.5kg;  
 3yo fillies - 54.5kg.

## December-March

4yo and up geldings and entires - 59.0kg;  
 4yo and up mares - 57.0kg;  
 3yo colts and geldings - 57.5kg;  
 3yo fillies - 55.5kg;  
 2yo colts and geldings - 56.5kg;  
 2yo fillies - 54.5kg.

## April-July

4yo and up geldings and entires - 59.0kg;  
 4yo and up mares - 57.0kg;  
 3yo colts and geldings - 58.5kg;  
 3yo fillies - 56.5kg;  
 2yo colts and geldings - 57.5kg;  
 2yo fillies - 55.5kg.

8. All races are subject to AR167 and any rules that pertain to minimum and maximum weights, (notwithstanding re handicapped horses, see point 4).

9. A horse running in a higher class event, than which they are eligible, may not automatically decrease in rating for an unplaced performance.

10. A horse running in a higher class event than which they are eligible and winning will be rated from the minimum weight, not their pre-race rating.

11. An open class horse will be eligible to run in a 0-58 or BM 54 Rating race. (effective 1.11.20)

12. Should a horse win by six lengths or more, it is liable for an additional rating point over and above the penalty scale guide at 13. (below)

13. The Handicapper will use as a guide the following penalty scale:

FIELD SIZE	1ST	2ND	3RD
6 horses or less	+1.5kg	level	-0.5kg
7 horses or more	+2.0kg	+0.5kg	level

14. Any horse racing at the top of a Ratings Band (0-58, 0-62, 0-64, 0-66, 0-70, 0-76) for which it is eligible and runs a place will not be re-rated to push it out of that Band, however, if a horse is running in a higher Band and runs a place it may be re-rated out of a Band depending on performance.

15. A maiden horse which wins a maiden race in the NT will be rated as follows: a winner of a maiden race - 56; the winner of a 0-58 or Benchmark 54 or Class 2 - between 56 and 58; any other race at the discretion of the Handicapper but to be no less than 56. Provided that should any horse have a rating of 56 or above immediately prior to its first race win, the rating for winning such race will be at the discretion of the Handicapper.

16. All maiden horses shall receive an interim rating by the handicapper to allocate a weight and to establish a ballot order.

17. All unraced horses nominated for their first start will receive a rating of 54.

18. Apprentices will be permitted to claim in maiden races.

19. Winning horses will generally receive a maximum of eight (8) points for winning out of their grade. Mares and 3yos may go up additional points due to sex and age allowances. This will only apply to races with total stakemoney less than \$30,000, and will not apply to horses winning their first race.

## NEW SAND / DIRT TRACK RATINGS SCALE

The following sand/dirt track ratings come into effect on 1st March 2015.

RATINGS -	DESCRIPTION FOR RATING
<b>Firm</b>	Compact /firm and at optimal efficiency
<b>Good</b>	More loosened surface than fast, some kickback may be evident
<b>Soft</b>	Surface looser than good, kickback evident
<b>Wet Fast</b>	Rain affected, track has surface water but base is solid and surface is compact (accounting for times similar to fast track)

Where stakemoney is taken into account, it will be for horses earning first, second, third, fourth and fifth stakemoney only (as per local rules).

# NT REGULATIONS APPLYING TO THE USE OF GEAR

**All applications for the use of or removal of any gear must be made prior to the closing of acceptances and applications made on the morning of the day of acceptances must also be notified to the TRNT Stewards**
