TRNT Off The Track
would like to congratulate
our industry participants on what
has been a fantastic year!

We've seen a total of 113 horses successfully rehomed in 2022. We are unlike any other state with 55% of these horses being retired interstate.

TRNT Off The Track are already looking ahead to 2023 and are excited to continue supporting our Territory Thoroughbreds.

Firstly, lets reflect on some of the many highlights from 2022

Layne Martin and Life's A Gamble
Competed at the Sydney International
Equestrian Centre

Karen Ruzsicska and Oakfield Sunrise
Received the TRNT Aftercare Award along with
sponsorship to support their clinic
participation.

#### Fort Knox and Elle Mckenzie

Competed against top competitors including, Chautauqua, at the Show Horse Nationals held at Werribee Park.

During 2022, TRNT Off The Track provided sponsorship to support Thoroughbred owners across six local clubs, three major events and three horsemanship clinics. We are looking forward to extending our sponsorship opportunities in 2023.

Bring on 2023

# **Taciturn and Kerry Clarke**

The lovely Taciturn will continue to receive TRNT Off The Track sponsorship.

# Michael Duckenfield and Tacitus Received Horse Of The Year and

Received Horse Of The Year and plenty of prizes!

#### Cleese

Has settled into his new life in Victoria and looking rather spoilt!

#### **TRAINERS**

#### DOES YOUR WORKPLACE HAVE THE NECESSARY INJURY INSURANCE PROTECTION?

Following news that several local trainers sustained serious injury recently whilst carrying on their training activities, it is perhaps timely to remind trainers of their legal obligations, and the various other insurance options that are available, to protect their workers, family members who work in their business and of course, the Trainers themselves.

#### Worker's Compensation - your Legal Responsibility

It is a prescribed responsibility i.e.: embodied in legislation, in the Northern Territory that every business that employs or hires Workers on a full-time, part-time or casual basis, under an oral or written contract of service or apprenticeship, must effect worker's compensation insurance with a local, licensed insurer.

#### **Definition of a Worker**

For the purposes of this insurance, a Worker is:

- a natural person who performs work or a service of any kind for another person under a contract, receives remuneration and is, in relation to the contract, an employee for the purpose of assessment for PAYG withholding under the 'Taxation Administration Act 1953 (Cth)', Schedule 1, Parts 2-5, even if the employer is not withholding tax when they should be. Workers who typically fall into this category for a Trainer include stable hands, foremen & track riders.
- this definition does not this extend to individuals who
  provide a service using their own tools of trade, and rectify
  any defects at their own expense. Veterinarians and farriers
  are common examples of independent contractors who fall
  into this category

An on-line tool is available on the ATO website to assist Trainers to determine if their Worker/s fit within the definition. If the business engages and pays Workers, it is recommended you visit www.ato.gov.au/Calculators-and-tools/Employee-or-contractor/

#### **Certain Workers Covered Under Specific Circumstances**

- Trainers can qualify for inclusion under a worker's
  compensation policy in limited circumstances only. If the
  Trainer is a director of a registered training business,
  he or she can be covered if the company has taken out a
  worker's compensation policy, and both personal details and
  the remuneration of the Trainer have been disclosed to the
  insurer.
- If the training business is owned by an individual, or is a
  partnership (therefore, is not a registered company), family
  members who live with the owner/s of the training business
  and who are paid to assist with training activities, can also be
  covered if both their personal details & remuneration have
  been disclosed to the insurer.

#### Racing & Betting Act 1983 (as amended)

This Act requires TRNT to effect worker's compensation insurance for **licensed jockeys**, **track work riders**, **stable hands and foremen**, whilst any of these individuals are:

- actively engaged in thoroughbred racing and training activities; and
- are doing so on any licensed premises and/or within the associated environs e.g.: environs includes float and car parks attaching to the premises, roadways connecting to stables, the dry riverbed of the Todd River which sits adjacent the Pioneer Park training centre, etc.

In effect, the Act compels TRNT to treat these individuals as their very own "deemed" workers whilst they are working on a licensed premises. Of note, is the Act **does not** extend this "deeming" provision to include licensed Trainers – hence, TRNT cannot expand their policy to cover Trainers, as the legislation does not allow them to do so at this time.

#### Given the above, Trainers should consider the following:

Firstly, all Trainers have a legal obligation to effect worker's compensation insurance to cover Workers they engage and pay a wage, for activities related to their training business. There will be instances where the TRNT insurance will be the 'host policy' for a Trainer's injured worker. Equally, there will be instances where a workplace injury will not occur at a licensed premises or within the associated environs, and therefore, the TRNT insurance will not apply. For example, injury whilst unloading a horse at an agistment property, during a rehoming exercise, or whilst at a veterinary clinic. Similarly, whilst riding the horse for training purposes in bushland or trails, or during beach work anywhere in Darwin. To cover this worker related risk, all Trainers MUST effect their own worker's compensation insurance. If Trainers do not already have a policy, please contact NT Worksafe on 1800 250 713 for assistance. **Secondly**, if Trainers cannot access personal protection under a worker's compensation policy (refer to Certain Workers Covered Under Specific Circumstances), they should examine alternative insurance options. As shown recently, accidents do occur, and the costs of medical care and any associated downtime can be a considerable burden for a Trainer to absorb. Accordingly, Trainers are encouraged to explore Personal Accident & Illness, Trauma and Life insurance, all insurances commonly held by many self-employed individuals across the racing industry, and indeed, in many other vocations outside of racing.

For more information on this subject, please contact the Australian Trainer's Association (03 9372 1688), or visit www.austrainers.com.au to read about the various insurance options under the members information area.

# **Trainer & Owner Reforms (TOR)**

The introduction of the Trainer & Owner Reforms (TOR) has been one of the most significant inclusions to the Australian Rules of Racing in the last decade.

These reforms standardised many aspects of the commercial relationship between Trainer and Owner (as well as between multiple owners of a horse), and provided a pathway to resolve disputes including, most importantly for Trainers, those relating to the non-payment of training fees.

An overview of some of the key elements of the TOR follows:

#### The Rules of Racing

• The TOR has national application. It was written into the Rules of Racing in 2017, and embraced by each state and territory racing jurisdiction across Australia.

There are 9 specific TOR Rules as follows;

TOR Rule 1 Commencement and operation of the TOR

TOR Rule 2 Powers of PRAs in relation to the TOR

TOR Rule 3 Requirement for trainers to issue a Fees Notice

TOR Rule 4 Circumstances in which the presumption of a training debt arises

TOR Rule 5 Requirements in relation to, and the effect of, a Dispute Notice

TOR Rule 6 Consequences if the presumption of a training debt arises

TOR Rule 7 Further trainer rights (when the presumption of a training debt has not arisen)

TOR Rule 8 Training Disputes Tribunal

TOR Rule 9 Facilitating payment after a TDT decision

#### **Key Documents**

#### Standard Training Agreement (STA)

The STA governs the relationship between Trainer and Owner, with both bound by same unless they have a separate written arrangement. Under the rules the STA is applicable to all trainers and owners, with limited exceptions only\*.

\* only Owner/Trainers who train a horse themselves, or an

\* only Owner/Trainers who train a horse themselves, or an Owner who employs a Trainer exclusively for them under a written agreement, are exempt.

#### • Fees Notice

A Trainer MUST produce and provide a Fees Notice to the Managing Owner (on behalf of all Owners), within 7 days of appointment. This should set out charges for recurrent services e.g.: daily training fee, race plates, standard veterinary consultation, float charges; etc. It is a guide for Owners, designed to inform them of the range of costs they will incur for many of the common activities and services their thoroughbred will receive under the Trainer's care.

#### • Co-Owners Agreement

A Co-Owners Agreement, or COA, was introduced as part of the reforms. This agreement sets out obligations and responsibilities of Owners to each other. It also sets out the overarching obligations of the Managing Owner, firstly between his or her co-owner group, and secondly, with the Trainer, with regard to communications and representing the interests of the Ownership group.

#### **Disputes Resolution Process**

- A standardised process was introduced for dealing with Trainer and Owner disputes for non payment of training and inter-related fees:
- A Trainer can lodge an Enforcement Action Application to assist with debt collection
- An Owner can lodge a Dispute Notice if they dispute part or all of the Trainer's invoice

Disputes documentation must be lodged with Racing Australia, who in turn, will communicate with the parties to the dispute and make them aware that the matter is now on the record. Racing Australia will also refer the matter to the relevant racing authority (for example, in the Northern Territory, this is TRNT), who will take over conduct of the matter.

The process offers mediation for the simple matters, or for those matters that cannot be settled by mediation ie; formal disputes, these will be referred to a Training Disputes Tribunal for determination.

The TOR has been a wonderful addition to the Rules of Racing. It has introduced much needed process and standardisation into an area that had historically been littered with uncertainty, a lack of transparency and indeed for many, resulted in financial distress.

The Australian Trainers' Association is constantly working to improve the TOR for the benefit of its Trainers. As has been the case for many of our rules of racing over the years, they evolve over time, generally from our collective experiences with "live disputes". To that end, we are currently working with Racing Australia, and they in turn with the national PRA network, to tighten several elements of the TOR debt recovery process, to better position trainers in the pursuit of their financial entitlements.

For more information on this subject, please visit the Racing Australia website www.racingaustralia.horse, and click on the 'Trainer and Owners Reforms' handle in the RA banner, located at the top of their Home page.

https://tor.racingaustralia.horse/

Members of the ATA can also visit our web-site www.austrainers.com.au, and access the dedicated 'Trainer & Owner Reforms' section by clicking on the handle that sits within the Home page banner, to read relevant reference information, plus download our ATA Advanced Training agreement and a template Fees Notice.

#### VETERINARY NOTICES

#### **ELECTIVE TESTING OF NON RACEDAY SAMPLES**

Trainers are advised that they are now able to have non-raceday samples screened by the Australian Raceday Forensic Laboratory on request for certain long-acting therapeutic substances.

This service has been introduced to assist trainers to determine the suitability for racing of horses under their care that have been treated with these long acting medications.

The special non-raceday drug screens are confined to corticosteroids, anabolic steroids or procaine (arising from the administration of procaine penicillin). To use this service, trainers must first gain approval from the Stewards, who will then supply the appropriate collection kits, seals and documentation.

Samples must be collected in accordance with the Australian Racing Forensic Laboratory collection procedures and must be accompanied by a Testing of Special Non-Raceday Samples application.

Samples will not be tested unless they are packaged and sealed properly and accompaed by the appropriate documentation.

Trainers are warned that the results of any non-raceday testing do not absolve them of their responsibilities in the event of a positive result arising from samples taken at any registered race meeting. Further details in relation to lodging of samples can be obtained from Stewards at Darwin Turf Club or Alice Springs Turf Club.

#### RACEDAY SWABBING PROCEDURES

Trainers are reminded that it is their responsibility to ensure that they and/or any person who represents them during the swabbing of their horses, are fully aware of the raceday swabbing procedure and that they observe all stages of that procedure.

The Club's veterinary surgeon and/or swabbing attendant will ensure that persons who are unfamiliar with the procedure have it explained to them and also inform them that as the trainer's representative, they should observe all stages of the swabbing procedure.

Trainers are reminded that the onus is on the trainer or his/her representative to observe the procedure.

#### **NOTICE TO ALL TRAINERS**

#### **TRAINERS & OWNERS REMINDER**

#### **STABLE RETURNS**

Trainers are reminded of their obligations in regards to stable returns.

#### AR 103 Trainers to lodge Stable Returns

- (4) The trainer of a horse must:
  - (a) disclose the location of a horse under his or her care upon request by Racing Australia (for retirement purposes only) and/or a PRA:
  - (b) lodge a Stable Return *immediately* upon a horse joining the trainer's stable;
  - (c) lodge an amendment to a Stable Return immediately if:
  - (i) any particulars on the Stable Return have changed; or
  - (ii) a horse leaves or joins the trainer's stable, or moves to another of the trainer's premises (where the trainer's stable is comprised of more than one premises), with the amendment to disclose the precise location of the horse.
- (5) For the purposes of subrule (4):
  - (a) if a trainer's stable is comprised of more than one premises, the trainer must disclose at which premises the horse is located;
  - (b) when a horse leaves a trainer's stable to spell or otherwise the trainer must disclose the location of the property at which the horse will be located.
- (6) Where a horse has been entered for a race, from the time of entry to arrival on course prior to racing:
  - (a) except with the permission of the Stewards, the horse must be stabled only at the premises from which the horse's trainer is licensed to train;
  - (b) if the horse is travelling to participate in the race, the horse's trainer must inform the Stewards of the horse's proposed travel plans prior to the horse's departure from the trainer's stable and/or lodge a Stable Return disclosing the location of the horse (as required by the relevant PRA).
- (7) If a trainer fails to lodge, in whole or in part, a Stable Return or any amendment thereof, or fails to provide details of the location or movements of a horse, in accordance with the provisions of this rule, the entry of the horse for any race, official trial or jump-out may be rejected or cancelled.
- (8) The manager (or his or her authorised agent) of an eligible horse or a named horse must, unless otherwise contained in a Stable Return lodged in accordance with this rule, disclose:
  - (a) the location of that horse upon request by Racing Australia and/or a PRA, including as required under any registration, ownership transfer or other form;
  - (b) any change in the previously notified location of that horse, to the satisfaction of a PRA, *immediately*.

When a horse is retiring from racing but remaining in the stable until a suitable home is found a stable return can be entered as:

"Active Non-stable training".

#### TRANSFER OF OWNERSHIP

Please remember that a transfer of ownership must be lodged and paid for to Racing Australia prior to the horse being nominated. Once the transfer has been processed a stable return <u>must</u> be lodged with the new registered owners.

**NOTICES** 

Notice regarding the detection of the bronchodilator drug clenbuterol The International Screening Limit (ISL) for clenbuterol of 0.1ng/ml in urine has been adopted by Racing Australia and will be implemented by Australian racing laboratories with effect from 1 April 2023.

This will have important implications for the detection of clenbuterol following its administration to racehorses, and will lead to a prolongation of detection times for this substance. The European Horserace Scientific Liaison Committee (EHSLC) has published detection time information for clenbuterol following both oral and nebulised administration. The published detection times of 13 days (oral) and 6 days (nebulised), for the stated dosage regimen and pharmaceutical preparations, are valid for the new ISL to be applied by Australian racing laboratories.

The EHSLC detection time document can be found here; https://www.ehslc.com/images/uploads/documents/EHSLC\_DETE CTION\_TIMES\_(updated\_1\_Febru ary\_2021).pdf

It should be noted that the revised detection times for clenbuterol are longer than the 3 - 4 days (oral) and 2 days (nebulised) previously reported, using the analytical methodology at that time, in the Australian Equine Veterinary Association (now Equine Veterinarians Australia - EVA) publication 'Detection of Therapeutic Substances in Racing Horses' ('The White Book').

Veterinarians are therefore advised that recommended withdrawal periods for treatment with clenbuterol (for example, in products including, but not limited to, Airway Gel, Claire Gel, Broncopulmin Powder, Ventipulmin Granules, Ventipulmin Injection and products in combination with trimethoprim and sulfadiazine) must be based on the published EHSLC detection times and not on the previous advice provided in the 'The White Book', and that trainers are warned accordingly. The EHSLC detection times appear, alongside those previously published in 'The White Book', in the current Equine Veterinarians Australia (EVA) publication 'Equine Medication Detection and Withdrawal Times: A Survey of Veterinarians in Australia'.

It is important to note that a withdrawal (or withholding) period is not the same as a detection period. Any withdrawal period should be calculated based on the published detection time, with the addition of a suitable safety margin based on the circumstances of the administration, including dose, route of administration and preparation administered. It should also be noted that none of the veterinary preparations containing clenbuterol registered for use in Australia are registered for administration by nebulisation. Such administration therefore represents off-label use of these products. The screening limit of 0.1ng/mL in urine for clenbuterol will come into effect on 1 April, 2023.

#### **RATINGS - BANDED RACES AND BUSINESS RULES**

- **1.** All horses intending to run in a Ratings banded race in the Northern Territory must have a rating formalized by the official handicapping panel assigned to the Northern Territory (TRSA Handicapping Panel) prior to nomination closing time.
- **2.** Only ratings issued by the TRSA handicapping panel for the Northern Territory will be recognized.
- **3**. Horses domiciled in the Northern Territory competing in other states will need to be re-rated on return to the Northern Territory. It cannot be assumed the interstate ratings will be directly correlated to the Northern Territory template rating or other templates.
- **4**. Horses will be eligible to nominate for races which have a rating qualification, if at the time of nomination they qualify in the specified Rating Band. Horses eligible at nomination time shall be permitted to compete regardless of any subsequent rating by virtue of rehandicap in that race even if that rating exceeds or drops below the top or bottom rating band in that race.
- **5.** Horses shall receive a handicap in a race according to their rating at close of Nomination time in line with the NT RBH template. Provided that any horse racing between the time of close of nominations and declaration of weight time may be re-rated by the handicapper in accordance with performances in this period.
- **6.** Fillies and Mares allowed a 2.0kg sex allowance. 2 & 3yo's allowed an allowance the same as the **maiden scale**.
- 7. Set weight maiden scale is as follows:

#### **August-November**

4yo and up geldings and entires - 59.0kg; 4yo and up mares - 57.0kg; 3yo colts and geldings - 56.5kg; 3yo fillies - 54.5kg.

#### **December-March**

4yo and up geldings and entires - 59.0kg; 4yo and up mares - 57.0kg; 3yo colts and geldings - 57.5kg; 3yo fillies - 55.5kg; 2yo colts and geldings - 56.5kg; 2yo fillies - 54.5kg.

#### **April-July**

4yo and up geldings and entires - 59.0kg; 4yo and up mares - 57.0kg; 3yo colts and geldings - 58.5kg; 3yo fillies - 56.5kg; 2yo colts and geldings - 57.5kg; 2yo fillies - 55.5kg.

- **8.** All races are subject to AR167 and any rules that pertain to minimum and maximum weights, (notwithstanding re handicapped horses, see point 4).
- **9.** A horse running in a higher class event, than which they are eligible, may not automatically decrease in rating for an unplaced performance.

- **10.** A horse running in a higher class event than which they are eligible and winning will be rated from the minimum weight, not their pre-race rating.
- **11**. An open class horse will be eligible to run in a 0-58 or BM 54 Rating race. (effective 1.11.20)
- **12.** Should a horse win by six lengths or more, it is liable for an additional rating point over and above the penalty scale guide at 13. (below)
- **13.** The Handicapper will use as a guide the following penalty scale:

FIELD SIZE	1ST	2ND	3RD
6 horses or less	+1.5kg	level	-0.5kg
7 horses or more	+2.0kg	+0.5kg	level

- **14.** Any horse racing at the top of a Ratings Band (0-58, 0-62, 0-64, 0-66, 0-70, 0-76) for which it is eligible and runs a place will not be re-rated to push it out of that Band, however, if a horse is running in a higher Band and runs a place it may be re-rated out of a Band depending on performance.
- **15.** A maiden horse which wins a maiden race in the NT will be rated as follows: a winner of a maiden race 56; the winner of a 0-58 or Benchmark 54 or Class 2 between 56 and 58; any other race at the discretion of the Handicapper but to be no less than 56. Provided that should any horse have a rating of 56 or above immediately prior to its first race win, the rating for winning such race will be at the discretion of the Handicapper.
- **16.** All maiden horses shall receive an interim rating by the handicapper to allocate a weight and to establish a ballot order.
- **17.** All unraced horses nominated for their first start will receive a rating of 54.
- **18**. Apprentices will be permitted to claim in maiden races.
- **19.** Winning horses will generally receive a maximum of eight (8) points for winning out of their grade. Mares and 3yos may go up additional points due to sex and age allowances. This will only apply to races with total stakemoney less than \$30,000, and will not apply to horses winning their first race.

As you are aware, the TRNT Board approved a change to the 3yo class 5 and 6 races, and opens, early in 2021.

These races are now Benchmark affairs which will streamline the handicapping process and give trainers far more certainty on the weights to be carried by 3yos going forward.

**NB:** Should no horse reach the Benchmark, the 59.0kg topweight rule will apply.

The ballot order for the Guineas (x2) and Derby will now be carried out on a **ratings basis rather than by utilising stakemoney levels –** the only time that stakemoney will be taken into account is when two or more horses have the same rating.

Where stakemoney is taken into account, it will be for horses earning first, second, third, fourth and fifth stakemoney only (as per local rules).

#### NT REGULATIONS APPLYING TO THE USE OF GEAR

All applications for the use of or removal of any gear must be made prior to the closing of acceptances and applications made on the morning of the day of acceptances must also be notified to the TRNT Stewards

**Trainers responsible for condition of gear**: Trainers shall be held responsible for seeing that all racing gear provided by them is approved for use and is in proper condition.

#### To be fitted before entering mounting yard:

all gear to be used on a horse shall be fitted before it enters the mounting yard.

#### **AR 206**

- 1. Except for other gear approved by the Stewards for trackwork, for a race, official trial, jump-out or trackwork all gear to be used on a horse must be approved by the Chairmen of Stewards and listed in the National Equipment Register.
- 2. Permission must be obtained from the Stewards prior to acceptance time for a race in order for a horse to race in any approved gear (including racing plates) listed in National Equipment Register.
- 3. If permission is obtained under subrule (2), then, unless approval from or instruction by the Stewards is provided prior to acceptance time for a subsequent race, that gear is to be used without variation in subsequent races in which the horse participates.

Note: Under AR 20(g), Stewards may order the removal of any shoes, racing plates, equipment or gear from a horse which are not approved or are in their opinion unstable, unsafe or ineffective.

For more information regarding gear regulations please see the National Equipment Register available on the Racing Australia website

#### RACECOURSE AND TRAINING TRACK REGULATIONS

#### **Darwin Turf Club**

# Regulations governing the use of the Club's racecourse and training track

The Darwin Turf Club has issued a revised set of Track Regulations that are effective from June 2022 A copy of the regulations can be downloaded via the TRNT's website or alternatively a copy can be provided by contacting the Darwin Turf Club office or Thoroughbred Racing Northern Territory Stewards.

All trainers, jockeys and track riders must read a copy of the Track Regulations and prior to using the facilities for the first time, complete an induction with a Darwin Turf Club nominated official. Upon completion of this induction the individual must sign an acknowledgment declaration which will be kept on file with the Darwin Turf Club. Trainers are responsible for ensuring their staff (stable employees) are aware of and comply with these regulations. These new procedures are in line with OHS requirements as the Darwin Turf Club is committed to providing a safe working environment for Staff and Industry participants.

#### **Alice Springs Turf Club**

# Regulations governing the use of the Club's racecourse and training track

The Alice Springs Turf Club has issued a revised set of Track Regulations that are effective from July 2017. A copy of the regulations can be downloaded via the Alice Springs Turf Club's website or alternatively a copy can be provided by contacting the Alice Springs Turf Club office or Thoroughbred Racing Northern Territory Stewards.

All trainers, jockeys and track riders must read a copy of the Track Regulations and prior to using the facilities for the first time, complete an induction with an Alice Springs Turf Club nominated official. Upon completion of this induction the individual must sign an acknowledgment declaration which will be kept on file with the Alice Springs Turf Club. Trainers are responsible for ensuring their staff (stable employees) are aware of and comply with these regulations. These new procedures are in line with OHS requirements as the Alice Springs Turf Club is committed to providing a safe working environment for Staff and Industry participants.

#### **Northern Territory Barrier Trials**

Barrier Trials to be conducted:

Darwin - Tuesday morning as requested.

**Alice Springs** – On race day following the completion of the final event or on Tuesday morning (or another time) by arrangement with the stewards.

The Trial fee is \$55.00 (inclusive of GST). Riders receive \$25 per ride (plus GST if applicable and super) while the nomination fee for entering for the barrier trials is \$30.

Entries:

Darwin - 12:00pm Friday for trials on Tuesday. Alice Springs – 9:30am Thursday for race day, 11:00am Monday for Tuesday.

Trials will be conducted over:

Darwin - 900m

Alice Springs – 800m or such other distance if required. Minimum of four (4) runners are required for a trial to proceed exce.pt in special circumstances as approved by the Stewards. Horses trialing for the purpose of gaining a barrier certificate or to be reinstated following an embargo must:

- a) Load in a reasonable time
- b) Must not be reversed into the barrier
- c) Must not be placed into the barrier with front gate open
- d) Must not be fractious or unruly whilst in the barriers
- e) Must jump away in a reasonable manner
- f) Perform tractably after jumping away
- g) Horses trialing for the purpose of obtaining an initial barrier certificate cannot be loaded riderless

The use of approved barrier aids may be used if the starter deems necessary to help load a horse in a timely and safe manner. If an approved barrier aid is used to assist a horse to load, the trainer must then without delay advise the Stewards and have that gear added for race day.

For barrier trials conducted outside race day, trainers <u>must</u> provide appropriate licensed staff at the barriers to load their horses into the gates.

These staff must wear appropriate footwear and an approved helmet and vest.

#### **Northern Territory Starters Subsidy**

A subsidy is paid to all horses which race and do not earn prize money.

The payment will be paid to the trainer of each horse. However the managing owner can elect to have the subsidy paid to the managing owner.

To do so the managing owner must complete the appropriate notification form and lodge it with the TRNT.

The unplaced subsidy is \$700 for all races - this increased amount came into effect from 1 September 2022.

#### **Facilities Fee**

As of the 1st May 2016 the facilities fee for horses running in the Top End region is \$286.00 inc GST

As of 1st April 2016 the facilities fee for horses running in the Central region is \$165.00 inc GST.

# STAKES INCREASE TO APPLY FROM 1 APRIL 2023

THE Board of Thoroughbred Racing NT, at the Board meeting held in November 2022, resolved to increase stakemoney in the Northern Territory from 1 April 2023.

This increase will be the second such lift in stakes in the NT in seven months following on from an earlier 5% increase, which took effect on 1 September 2022.

Alice Springs has fared even better – its stakes increased to be on a par with Darwin from 1 July 2022, so come 1 April this year, the Red Centre will have benefited with three increases in less than 12 months.

The latest increase will again be an approximate 5% boost to all races excluding the major features at both the Alice Springs and Darwin Cup Carnivals.

The stakemoney on offer from 1 April 2023 will be as follows:

Mdns, 0-58, BM54 and Class 2 events:\$19,500 (up from \$18,375)0-64 events:\$20,500 (up from \$19,425)0-70 events:\$21,500 (up from \$20,475)0-76, BM76 events:\$22,500 (up from \$21,525)Open and ABR events:\$24,500 (up from \$23,100)

Carnival stakemoney will be a minimum of \$22,000 per race, while on Alice Springs and Darwin Cup Day, stakemoney minimums will be \$30,000.

Feature racemeeting stakes, such as Anzac Day, Australia Day, St Patrick's Day, Melbourne Cup Day and New Year's Day (Darwin), and Truckies Day and Derby Day (Alice Springs) will also have \$22,000 minimums, with the main race on these days featuring \$25,000 minimums.

The country club meetings at Tennant Creek (13 May), Adelaide River (3 June) and Katherine (19 August) will also feature the same stakes as both Darwin and Alice Springs, with the Cups at each venue being run for a stake of \$30,000.

Unplaced subsidies, which increased in September last year to \$700 per runner, will remain at the same level.

# LADBROKES THROWS FURTHER WEIGHT BEHIND TERRITORY RACING WITH A BRACE OF INITIATIVES

Territory Thoroughbred Racing's Ladbrokes Triple Crown will undertake a significant change in 2023.

The Ladbrokes Triple Crown has to date been the domain of three-year-olds attempting to win the three major Carnival features – Darwin Guineas, Ladbrokes NT Derby and Great Northern Darwin Cup – in the same year.

Only two horses have ever achieved the treble, Brinney in 1989 and Ventilago in 1996.

But for the first time in over 40 years, the Triple Crown will open up to all-aged gallopers and be renamed the Ladbrokes Territory Treble, with the \$100,000 bonus on offer to the connections of the horse which can win the Ladbrokes Alice Springs Cup (Sunday 30 April), Chief Minister's Cup (Saturday 15 July) and the Great Northern Darwin Cup on Monday 7 August.

"History has proven it is extremely difficult to have a three-year-old take on the older horses in the Darwin Cup and to extend over the 2050m distance," Ladbrokes Executive Director of Stakeholder Engagement Karl deKroo said.

"We viewed this change as a great opportunity to revitalise the concept and increase the probability for the bonus to go off. It is also a chance for Ladbrokes to underline our commitment to the sustainability and growth of racing in the Territory.

"This new concept still provides a significant challenge to win all three Cups, but it feels far more achievable and has the added benefit of engaging both the Red Centre and Top End. It is to be hoped that Darwin Cup-bound horses will now also place the Ladbrokes Alice Springs Cup on the agenda – it has the potential to provide a very exciting climax to the Darwin Cup Carnival."

Last year's Chief Minister's Cup winner Playoffs went on to win the Darwin Cup but did not run in Alice Springs, while Pretty Blonde back in 2014 won both Alice and Darwin Cups, but ran down the track in the Chief Minister's.

Darwin Turf Club CEO Grant Dewsbury added that the likelihood of the Treble, under the previous criteria, was an "outside chance", but now becomes a very real possibility.

"This is a great new concept and will only add to an already exciting Darwin Cup Carnival and one which could see only the third horse in history taking out the \$100,000 bonus," Dewsbury said.

Alice Springs Turf Club Chair Andrew Maloney welcomed the involvement of the ASTC in the revised Territory Treble concept.

"It builds upon an already strong relationship between the two major NT Clubs and continues the association with Ladbrokes as our Major Sponsor and supporter," Maloney said.

Ladbrokes also announced it has agreed terms on a two-year deal to become the official wagering partner and naming rights sponsor of the Territory's three country venues, Adelaide River, Katherine and Tennant Creek. Ladbrokes signage will adorn the three country tracks and the deal will allow the country club Cups to each be worth \$30,000 in 2023.

Thoroughbred Racing NT Chief Executive Andrew O'Toole said: "Ladbrokes have been fantastic to work with on this project, and we are delighted that they have agreed to support our country venues, which are so important to the lifeblood of Territory racing.

"We look forward to the roll-out in advance of the first country club meeting this year, at Tennant Creek, in mid-May."

It continues Ladbrokes' recent increased investment in the Territory, which has included a commitment to offer 20 new job placements in Alice Springs, complementing its established workforce in Darwin.

"Ladbrokes is proudly licensed in the NT and we definitely view it as part of our charter to put back into NT communities," deKroo said.

"We were in Alice Springs last week where we have advertised 20 remote positions in our customer support team, and we see our investment into Adelaide River, Katherine and Tennant Creek in a similar light. These Cup days are important community events that bring people together and we want to help ensure their ongoing viability."
