

## Overview

### TRNT Off The Track Educator

#### What is a TRNT Off The Track Educator?

TRNT Off The Track Educator is a person endorsed by TRNT Off The Track for their skills and ability to provide educational Thoroughbred services. Not limited to racing education, re-training services, general coaching and hosting clinics.

Additionally, TRNT Off The Track Educator is recognised for their community engagement and ability to advocate for the Thoroughbred.

#### How do they benefit the Off The Track Community?

The Off The Track Community will now have more accessibility to educational support. The following are examples of how TRNT Off The Track Educators will benefit the community:

- Easy access to contact details and information regarding the TRNT Off The Track Educators and their services.
- As high profile members within the Equestrian community TRNT Off The Track Educators will encourage greater advocacy for Thoroughbreds.

#### What does TRNT Off The Track provide to Educators?

TRNT Off The Track will assist to promote TRNT Off The Track Educators within the racing community. This will include information regarding the Educator on the TRNT website and Facebook page. Educators will also be provided with Off The Track merchandise.

Off The Track participants will be encouraged to utilise the services of endorsed Educators. Incentives including retraining reimbursement will help to aid this.
