Apprentice Minimum Riding Weights (MRW)

Apprentice Name	MRW	Claim
L CROW	52KG	1.5KG
D MORGAN	53KG	3KG

The weight listed is advised as the minimum weight each apprentice can ride at today’s meeting. Each apprentice must claim (subject to their allowance) all or part of their allowance to ride at that weight. Apprentices will not be permitted to ride below their declared MRW. If an apprentice is unable to ride at their MRW they may be replaced as the rider and/or punished.

Maximum Bookmaker Bet Limits

Up until 3 minutes prior to the advertised starting time of the race bookmakers need not risk more that \$1,000 on any one bet– When a bookmaker refuses to accept a bet which is in excess of the maximum amount which he is obliged to accept under the provision of this rule, the bookmaker must inform the bettor of the lesser amount which the bookmaker is obliged to accept under the rule.

Betting Deductions Explained

After a Bookmaker has posted their prices for a race, a horse may be scratched for any number of reasons. When this occurs the Bookmakers original prices are now incorrect, as they were based on scratched horse/s taking part in the event. Bookmakers have no jurisdiction over deductions and are directed by the Northern Territory governing racing bodies who have adopted the ARB (Australian Racing Board) sanctioned method of calculating a deduction. Depending on the amount of horses scratched, and their price, the deduction will differ. For example if a short priced favorite is scratched the deduction is greatly increased, and the more horses scratched the higher the deduction. However when a long shot or higher priced horse is scratched the deduction is minimal or none as it has less effect on the price. A bookmaker has to refund the money on scratched horse/s

General: Correct weight for this event was delayed after the rider of the fourth placegetter (S Tsaikos) requested to view the Stewards patrol footage of the final 100m. After viewing the footage, correct weight was declared.

Stewards inquired into an incident which occurred into the first turn after WINGARD lost ground after its rider took hold. Evidence was taken from R Vigar (AMERICAN STAR), W Davis (OUR BARTY), and J Todd (WINGARD). It was established that WINGARD racing up in between runners heading in to the first turn, became unbalanced and over reacted when its rider took hold getting its head up and losing ground. Stewards were satisfied that no one rider rode in a careless manner and took no further action.
