MAY 18TH 2019

WELCOME

THE TENNANT TURF CLUB COMMITTEE
would like to extend grateful thanks and appreciation to
everyone who helped make today's annual racemeeting possible

Our sponsors for their generous support of the meeting

Our amazing volunteers for their help to prepare the course for racing

Everyone we beg, borrow and steal from!

Special thanks to Officials who have come from far and wide
to oversee our meeting, and to the St John's Ambulance team and
Tennant Security for their attendance on-course today.

Tennant Turf Club would like to acknowledge the hard work
that past and present Committees have put in over many years
to make sure that the "Two Cups" raceday is one to remember
and will continue for years to come.

Lastly, we are always seeking new Committee members
to drive our annual racemeeting – if there are any keen people out
there who wish to be involved, please feel free to approach an

MAXIMUM BOOKMAKER BET LIMITS

Up until 3 minutes prior to the advertised starting time of the race bookmakers need not risk more than \$1,000 on any one bet— When a bookmaker refuses to accept a bet which is in excess of the maximum amount which he is obliged to accept under the provision of this rule, the bookmaker must inform the bettor of the lesser amount which the bookmaker is obliged to accept under the rule.

BETTING DEDUCTIONS EXPLAINED

After a Bookmaker has posted their prices for a race, a horse may be scratched for any number of reasons. When this occurs the Bookmakers original prices are now incorrect, as they were based on scratched horse/s taking part in the event. Bookmakers have no jurisdiction over deductions and are directed by the Northern Territory governing racing bodies who have adopted the ARB (Australian Racing Board) sanctioned method of calculating a deduction. Depending on the amount of horses scratched, and their price, the deduction will differ. For example if a short priced favorite is scratched the deduction is greatly increased, and the more horses scratched the higher the deduction. However when a long shot or higher priced horse is scratched the deduction is minimal or none as it has less effect on the price. A bookmaker has to refund the money on scratched horse/s
