PRESIDENT'S MESSAGE

Welcome to the 2019 Adelaide River Combined Electrical Cup Day.

This year preparation of the track has been overseen by TRNT, investing in major works of top soiling, fertilizing, aerating and mowing to ensure the best results for this year's Cup meeting.

Big thank you to all our sponsors who stood by the club after last year's unfortunate situation.

Many thanks to TRNT, Ian & Jackie Rixon, who worked tirelessly to make sure the work was carried out.

A very special thank you to Naomi Cortes and family and to the Small number volunteers who assisted in preparing for the day.

A big thank you to Annette Rixon, who took on a huge amount of work while still based in Queensland.

Last but not least our small committee who proved by working together you can achieve anything.

Enjoy your day and happy punting.

Sandy MacLean

President

Race 1: 0-58 1300m

LATEST BENTLEY (R Vigar) – Raced wide throughout. A post race veterinary examination revealed the gelding to have an elevated heart rate. **ABLE KEN** (V Arnott) – Race wide from the 600m and hung outwards in the straight. Trainer L Walling-Denton advised that it was her intention to experiment with an alternative type of lugging bit in the geldings' track work in an attempt to improve its racing manner. Trainer was advised that as the gelding has been previously embargoed for this trait, any similar occurrence in future will result in further action being taken.

Race 2: 0-64 1300m

WINDSOR CUP (R Vigar) – Commenced awkwardly.

Race 3: Open 1300m

ARCTIC SONG (R Vigar) – Raced wide throughout. **SKY MUSTER** (K Gladwin) – When questioned regarding the performance rider advised that his mount had raced keenly in the early stages and when he became aware that the saddle had shifted on the runner racing to his inside it commenced to lay out into the first turn and consequently he raced in restricted room between runners through the middle stages. He further advised that he was further impeded and had difficulty in fully testing his mount in the straight when again in restricted room. **KAPTAN APOLLO** (B Davis) – Rider reported that his saddle became displaced at the start and consequently he was unable to hold his position on the rail as his mount lay outwards through the middle stages. As a result he was also unable to ride the gelding competitively in the event. **MARBEL DUKE** (M Hart) – Obligated to race wide through the middle stages and lay inwards in the straight.

Race 4: Class2 1200m

MULK (R Vigar) – Raced wide throughout. **SON OF A FLING** (B Davis) – Commenced awkwardly

Race 5: BM54 1100m

VANZETTA (J Todd) – Commenced awkwardly and failed to race competitively. When questioned rider advised that the mare commenced with the field but dropped the bit at the 900m and despite his urgings failed to stretch out from thereon. A post race veterinary examination revealed no abnormalities. Given the mares' recent unplaced form in addition to the uncompetitive performance today, trainer S Clarke was advised that the mare must barrier trial to the satisfaction of the Stewards prior to racing again.

Race 6: BMNT 1100m

TREBLA (K Gladwin) – Raced wide throughout. The gelding required post race veterinary treatment after tying up. **AWESOME MO** (M Hart) – Raced ungenerously through the middle stages. **LOTS OF COIN** (J Todd) – Bounded at the start and unbalanced its rider. **STRATEGO** (B Huppatz) – Rider fumbled and dropped his whip near the 200m.

Give Me Five for Kids

Give Me 5 for Kids is Southern Cross Austereo's national fundraiser which has been supporting and raising funds for local children's hospital wards across regional Australia for the last 21 years. Beginning in the mid-'90s as a simple coin drive from the Central Coast region, this annual charity drive has since raised almost \$20 million nationally, and benefited over 40 children's hospital wards.

Each year, Seven Darwin gets behind this cause by holding local fundraising events.

Thanks to the open hearts and generosity of the Darwin public and business community, we continue to raise more funds annually for the local children's hospital ward of The Royal Darwin Hospital, and make a real difference to the lives of sick local kids.

This year we are very proud to be involved and have the opportunity to raise these much needed funds at our Golf Day at the Darwin Golf Club at Marrara on the 14th June and at other events including the Greek Glenti from the 8th & 9th June.

In 2018 Seven Darwin raised over \$56,000 and this year we are hoping to reach over \$65,000.

"Imagine the difference You can make."

PALMERSTON - DARWIN

Combined Electrical Supporting Adelaide River Races

Managing Director of Combined Electrical, Jeff Rees has been supporting the Adelaide River community for over thirty years.

Moving to Adelaide River in 1985 to commence work as an electrical contractor, Jeff worked on mines and multiple cattle stations including Tipperary, Litchfield and Elizabeth Downs stations. He also provided domestic electrical services to both Adelaide River and Batchelor communities.

During this time he and his wife became involved in the local community. Living in Adelaide River it was almost expected that you would socialise at The Adelaide River Show Society (ARSS). Run by a group of hardworking volunteers, anchored by long-time local families, the ARSS club was a social must.

A lot of hard work was put in by dedicated volunteers leading up to the major yearly events including the Adelaide River Show, Cup race day, and rodeo. Being a part of the club and these working parties during their time in Adelaide River provided a sense of community for Jeff and his wife that was something really special at the time.

After leaving Adelaide River in 1990, and forming Combined Electrical in 1992 with his business partner for the following 25 years, Nelson Deuble, the opportunity came up in the early 2000's to sponsor a race at the Adelaide River Cup day meeting.

Since then Combined Electrical have sponsored a race each year, with the opportunity arising in 2016 to sponsor the main race, the Adelaide River Races "Combined Electrical" Cup.

This year is Combined Electrical's third year as the Major Sponsor of the Cup race day, and the feature race. This special event is set in a beautiful shaded setting and features a seven-race program. It is a social event the entire family can enjoy. The Adelaide River Races "Combined Electrical" Cup promotes cultural, recreational, sporting, and social activities in the region.

The main reason that Combined Electrical took up the sponsorship, and continue to do so, is to support the hard working volunteers of the ARSS club and the local community, that Jeff so enjoyed being a part of, and to help perpetuate a long standing Territory institution. Having personally experienced the amount of work that the volunteers put into the day, the history of the day, and how much the day means to so many people, resonates very strongly with Jeff and the team at Combined Electrical.
