The best ride/training performance will be judged by Sky Channel's Andrew O'Toole, and the winners will be announced on *Top End Track Talk* when that segment is next filmed.

Each week's winner can collect their voucher from David Bates at Garrards Horse and Hound, Winnellie, to be redeemed on-site.

The best ride of the day will be awarded for this week's Katherine meeting, while the first of the top training performances will apply to the Darwin meeting on 31 August.

RACE ANALYSIS

CAPTAIN CALIFORNIA is a newcomer to the Kerry Petrick team and although drawn badly he has the class to overcome this. Both **DUBAWI SNIPER** and **ROCK AND SWING** look the early speed in the race.

Vale Greg Hankel and Peter Moffatt

The Katherine Turf Club and hence this great meeting held today, probably would not be in existence if it were not for these great men, who were also the greatest of mates. Peter, or Moff as he was known to his many mates, joined the committee in 1988 and Greg or Hanks joined in 1994 and was treasurer for 12 years and they both also had substantial input prior to joining. The Turf Club was in diabolical financial trouble in the late 80's, but with Moff and Hanks networking skills channelled through their own real estate business Katherine Land & Pastoral Services (which became LJ Hooker in 1995) they secured the major sponsorship of the former owner of the Katherine Oasis Shopping Centre (Katherine Central) Marshall Desau. With Moff and Hanks, and the then committee member's expertise together with Marshalls sponsorship and support from the Centre traders, the Turf Club survived and is now flourishing with success. Moff and Hanks also supported the races Calcutta and with Hanks auctioneering skills together with Moff spotting, bidders were left with little money at the end of the Calcutta auction! If you asked Moff he would always lay claim to being one of the greatest preparers of a sand race track in Australia!

Sadly Greg passed away at only 48 years of age on 1st October 2007 and Peter passed away on 26th February 2009 aged 60. It seems that two people with such a great mate ship were always going to meet again sooner, rather than later.

For those who knew Moff and Hanks the Katherine turf Club Committee asks that you take a moment during the day to charge your glass and reflect on these two fabulous blokes who have helped the Katherine Races and indeed the Katherine township become so successful over the years, and for those who didn't you can still charge your glasses to honour their hard work that has helped make this day the fun filled one that it is.

Cheers and away Moff and Hanks – for you will live in our hearts forever.

We give **hope** to people living with pancreatic cancer.

Out of all the major cancers, pancreatic cancer has one of the lowest survival rates. With no early detection test and symptoms often overlooked, most people are only diagnosed when it's too late.

At Pancare Foundation, we're dedicated to supporting patients and their families living with pancreatic cancer as well as funding research into new cancer treatments and early detection methods. We're committed to seeing survival rates improve, and with your help, we can.

cancer with us.**
